Jim:

In response to an audit request, I need to ask you to review the list of access to your space. I am looking for your confirmation that the names listed should have the access assigned.

When looking at the list, persons with card numbers beginning with 8 are students; 18 are staff; and 29 are contractor badges.

Ideally, I am hoping you can return this by the end of the week; however, due to this already being Tuesday, I would ask if you could get through this by next Friday (February 10).

Thanks.

Mark
